Compactly designed to make your life easier in one touch

An ultra small printer made to fit your specific needs. The convenient print screen feature makes printing with the ML-1665 laser printer as fast and easy as a simple touch of a button.

Samsung Monochrome Laser Printer

ML-1660/1665

Samsung Mono Laser Printer ML-1660/1665

Samsung introduces the world's smallest laser printer with greater convenience, the ML-1660/1665 laser printer. With its ultra compact elegant design, there's space for this little beauty anywhere. Clever built-in features like one touch printing make the ML-1665 smart, as well as easy to look at. The ML-1665's low noise level, rapid print speed, and power-save button assure maximum convenience. With the Samsung ML-1665 laser printer, sometimes the best things in life do come in the small packages.

From the monitor to the page with just one touch

Don't waste time clicking through software menus - the Samsung ML-1660/1665 will instantly print your screen's current contents at the push of a single button. Keep your finger on the Print Screen button for fast, efficient printing.
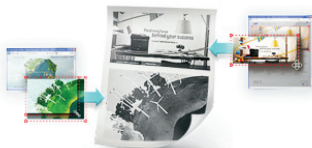

A printer with brains and beauty

Finally, your desk can look stylish because of your printer, not in spite of it. Its glossy top cover looks chic and polished while offering dustfree protection. Spiff up your space with a desktop accessory that actually helps you work better.

A soft approach to energy efficiency

In today's green office environment, there's simply no room for energy-hogging printers. The easy-to-reach power button right on the front panel makes it easy to switch to an energy-saving standby mode at the push of a button. Ready to print? Just push the button again to power back up, and you're ready to go.

Capture what catches your eye

Handle web printing the easy way with Samsung Anyweb Print feature. It lets you grab image sections of any web page and arrange them onto a clipboard. The simple drag-and-drop interface makes it easy to get exactly what you want, and nothing more.
