

Double A is a premium paper known for its high quality, superior performance and environmental friendliness.

### PRODUCT INFORMATION

Double A produces paper from KHAN-NA (the farmers' unused land between rice paddies) which helps to save trees from natural forests and reduce the global warming by absorbing carbon dioxide from the atmosphere. By using this paper you are helping to preserve natural forests.

### PROCESS SUITABILITY

- Outstanding smoothness
- Sharp prints
- High opacity for 2 sided use

### TYPICAL USES

Ideal for:

- Best for all quality prints and copies
